# Sharing our Knowledge on CITIESTOBE.COM

The screenshot shows the homepage of the CITIESTOBE website. At the top, the CITIESTOBE logo is displayed with a blue diamond icon. Below the logo is a large video player. The video features a woman with glasses and a colorful jacket, smiling and gesturing. The text "CIVIC ENGAGEMENT, TECHNOLOGY, PUBLIC POLICIES & SERVICES" is visible at the bottom of the video frame. Below the video, the title "Online crowdsourcing information for civil society enhancement" is shown, followed by the author's name "By Juliana Rotich". At the bottom of the page, there are three smaller video thumbnails, each with a play button icon.

CITIESTOBE

CIVIC ENGAGEMENT, TECHNOLOGY, PUBLIC POLICIES & SERVICES

Online crowdsourcing information for civil society enhancement

By Juliana Rotich

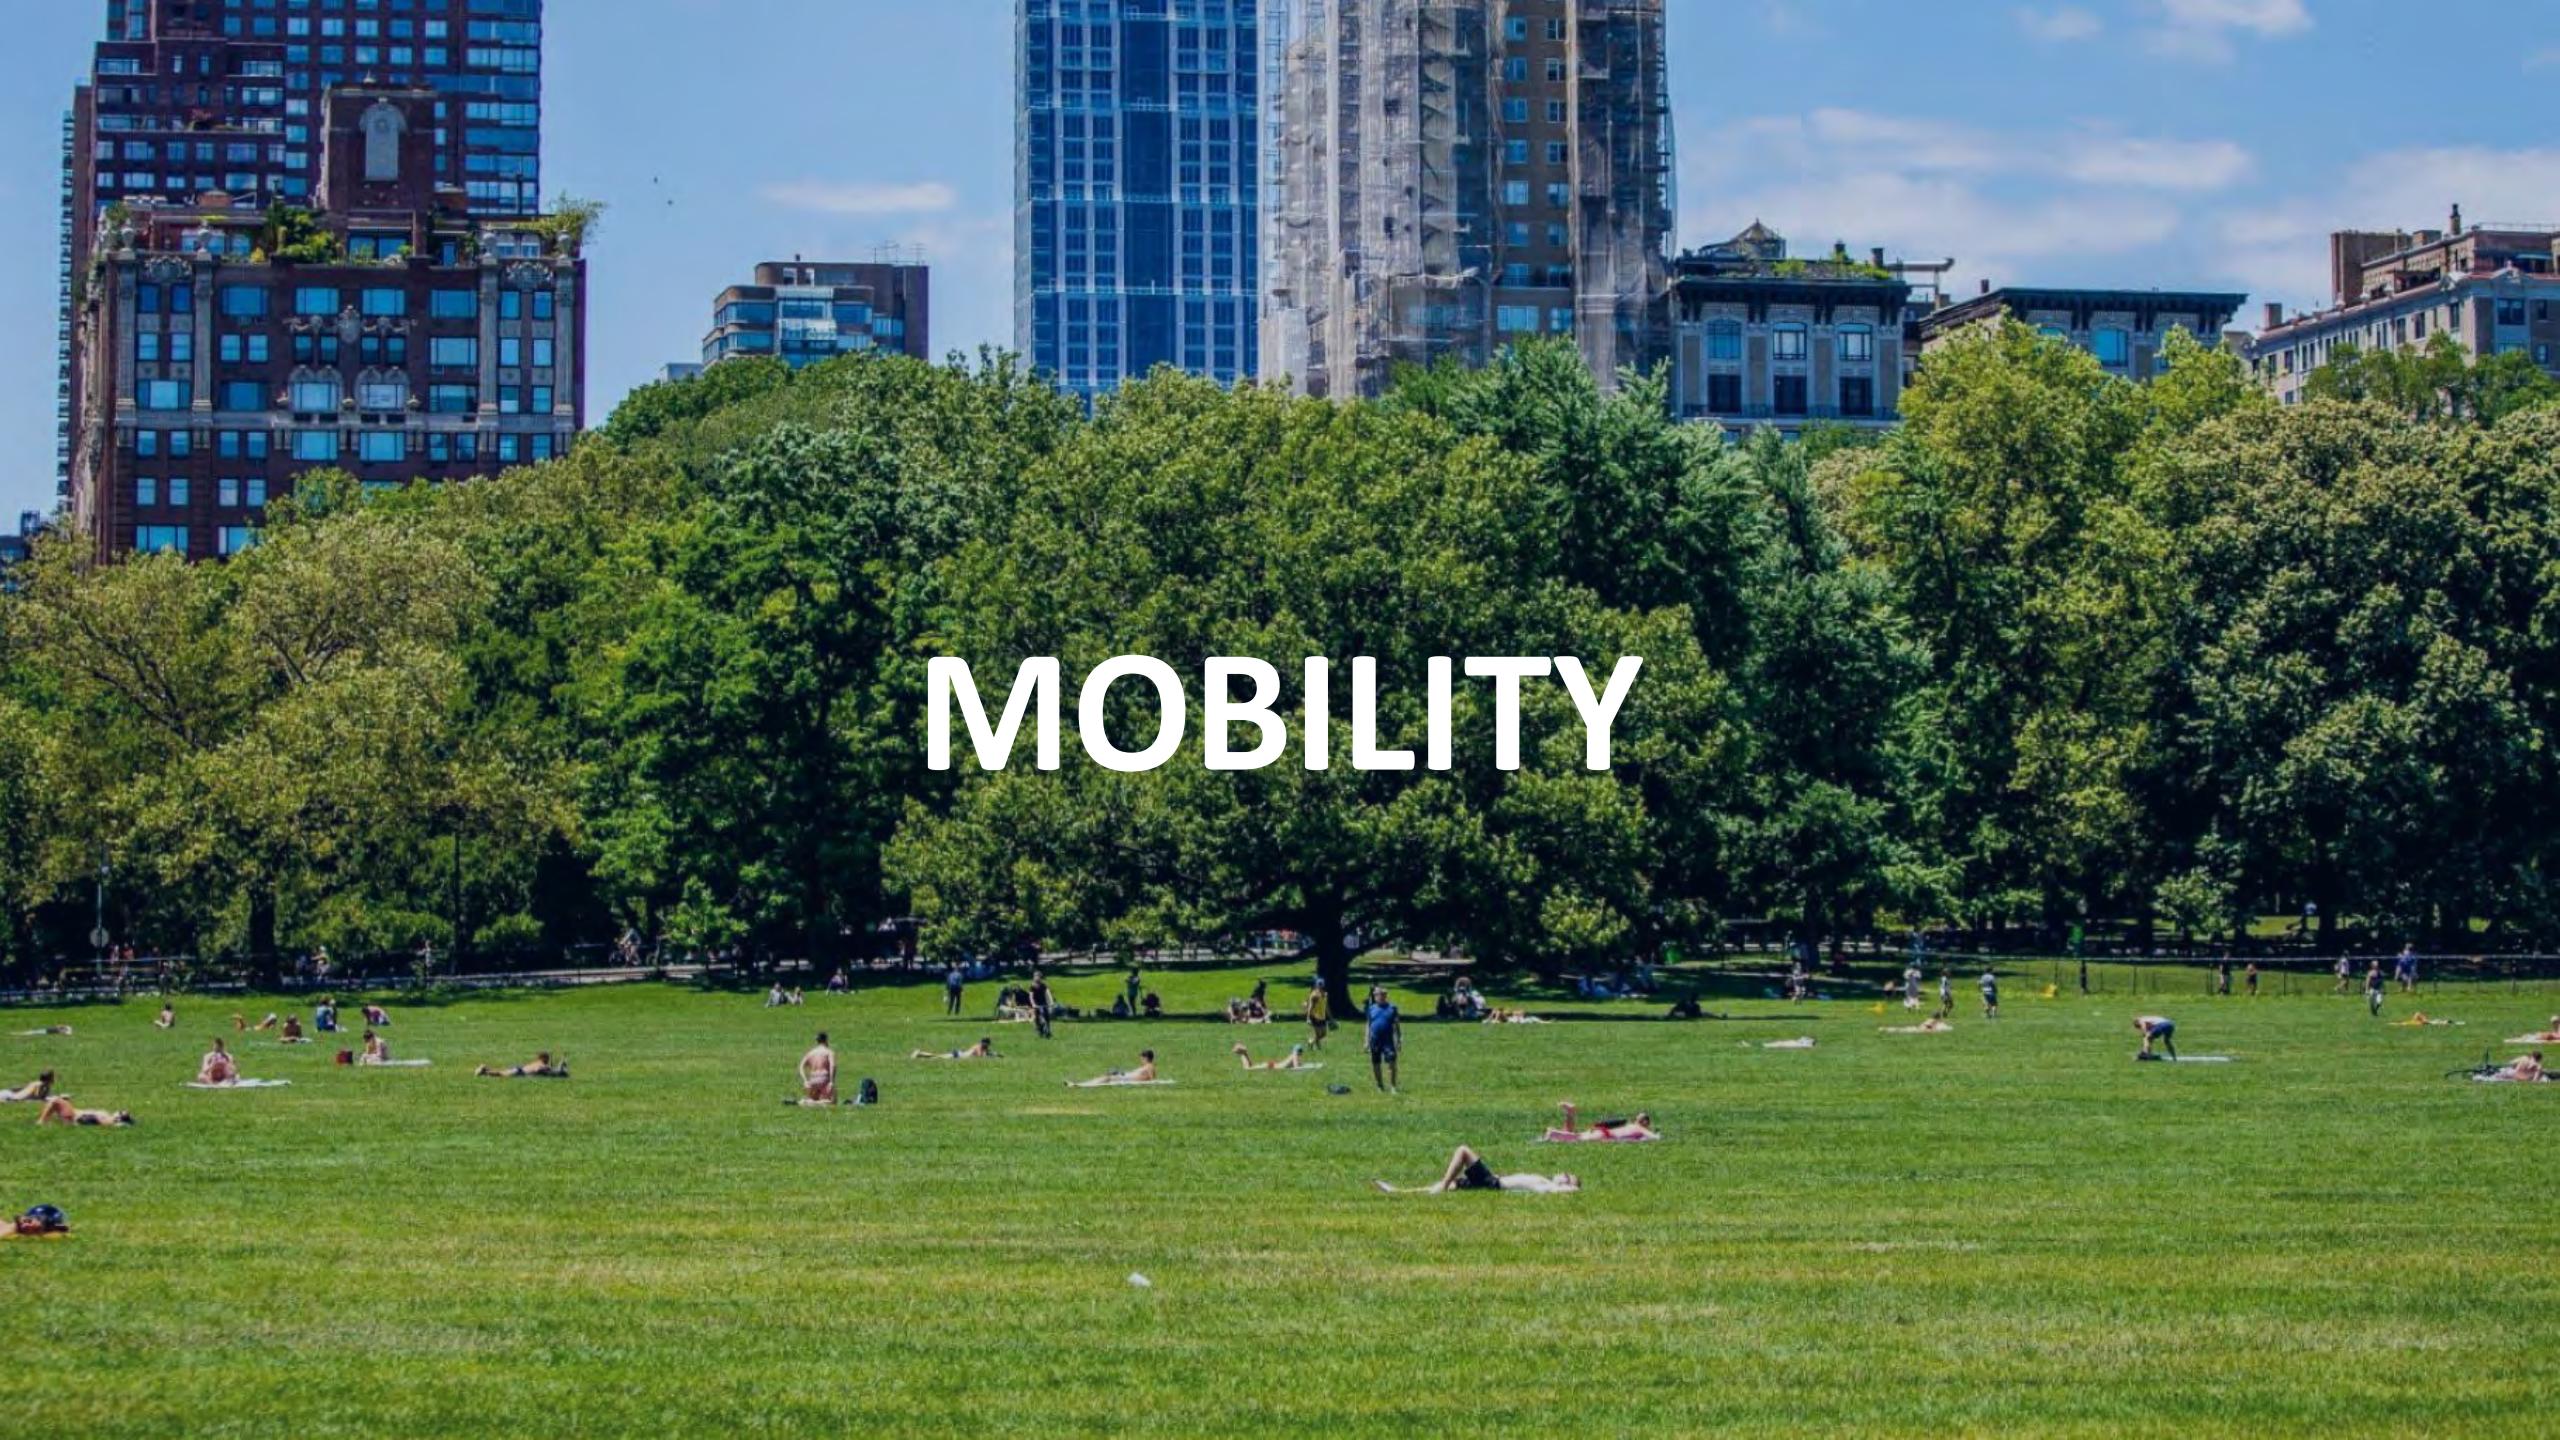

An aerial photograph of a massive highway interchange, likely a cloverleaf or multi-level system, showing numerous roads and a dense concentration of vehicles. The image is dominated by shades of grey and black from the asphalt and shadows, punctuated by the occasional green of trees and grassy areas. The complexity of the road network is evident in the many intersecting lanes and ramps.

**MOBILITY**

A photograph of a dense crowd of people on a city street. The scene is filled with people from various angles, some facing forward and others away from the camera. In the background, there are buildings and a few vehicles, including a white van and a dark SUV. The lighting suggests it might be late afternoon or early evening.

**MOBILITY**

A wide-angle photograph of a park's grassy area. In the foreground, many people are lying on towels or sunbathing on the bright green grass. A dense line of mature trees stands behind the grassy area, their dark green leaves contrasting with the sky. In the background, a variety of modern urban architecture is visible, including several tall residential buildings with glass and steel facades, some under construction with scaffolding, and older brick buildings. The sky is a clear, pale blue with a few wispy white clouds.

**MOBILITY**

**MOBILITY**

A photograph of a white laptop keyboard in the top left corner and a blue stethoscope coiled in the center-right. The background is a plain, light color.

BY *anteverti*

The background image shows a wide-angle aerial view of a city at night. The sky is filled with a gradient of orange, yellow, and purple clouds. Below, a complex network of illuminated roads and highways is visible, with numerous cars and streetlights creating bright streaks of light. In the foreground, there's a large, modern stadium or arena with a distinctive circular roof. The city extends into the distance, with more buildings and lights visible under the darkening sky.

## European Union to Ban Gas-Powered Cars by 2035

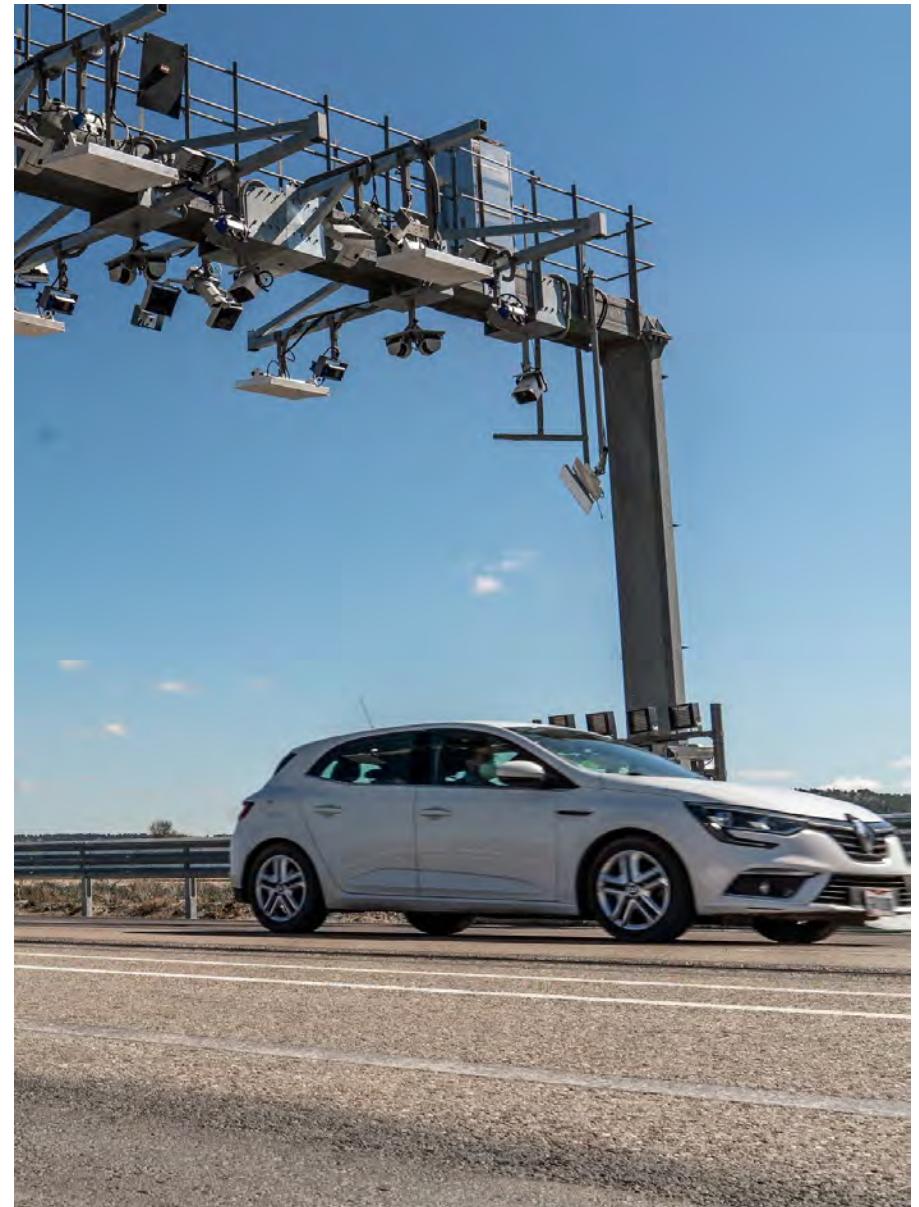

The law is part of the E.U.'s ambitious plans to make the 27-member bloc carbon neutral by 2050.

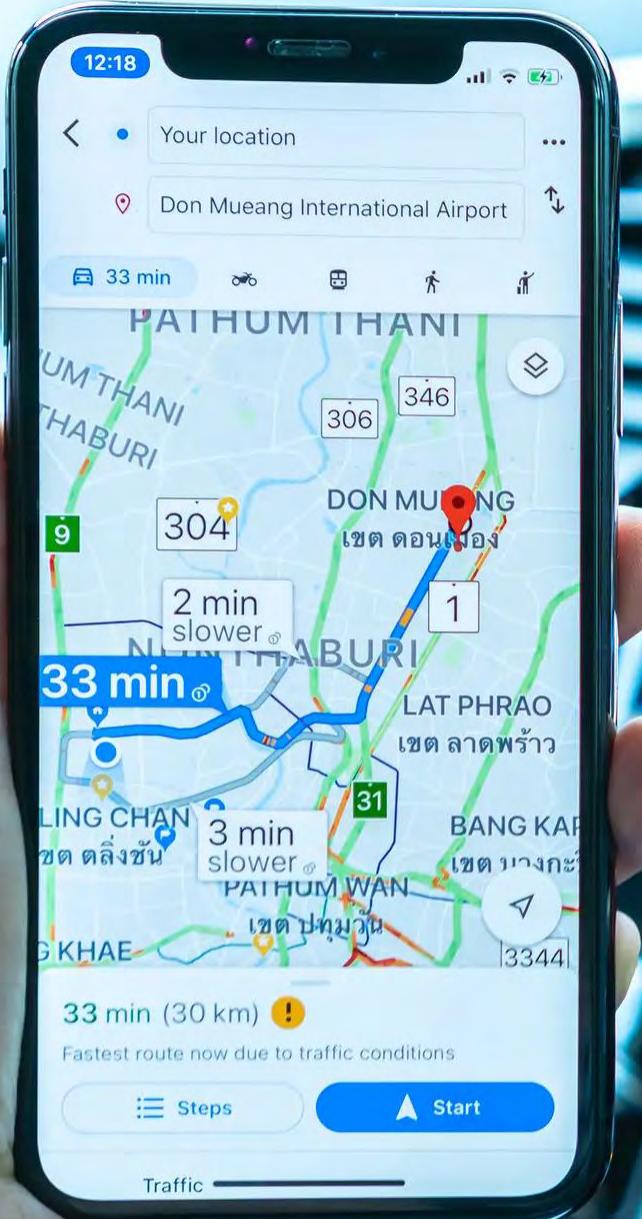

The background image is a wide-angle aerial photograph of a city at night. The sky is filled with a gradient of orange, yellow, and purple clouds. Below, a complex network of elevated highways and overpasses is visible, with numerous lights from moving vehicles creating streaks of light. Large, modern buildings with illuminated facades are scattered throughout the urban landscape. In the foreground, there's a large, circular stadium or arena with a distinctive white, ribbed roof. The overall atmosphere is one of a bustling, technologically advanced urban environment.

# PARIS

A wide-angle aerial photograph of the Paris skyline during sunset. The sky is filled with soft, warm colors of orange, pink, and purple. The Eiffel Tower stands prominently in the center background, its silhouette sharp against the lighter sky. In the foreground, the rooftops of numerous buildings are visible, showing a mix of traditional French architecture and modern skyscrapers. The overall atmosphere is romantic and captures the essence of the city.

The background image shows a top-down view of a city street at night or dusk. Numerous people are walking across several crosswalks. A prominent green taxi cab is visible in the lower right foreground. The scene is lit by streetlights, creating a grid of bright lines against a darker urban environment.

**RETHINKING MOBILITY IS A MUST  
FOR THE SUSTAINABLE FUTURE OF CITIES.**

**BOTH, PUBLIC AND PRIVATE ACTORS  
ARE KEY PLAYERS IN THIS  
TRANSFORMATION PROCESS.**
